

Planning your Dance Floor size

As you'll notice below, we plan for about 1/3 of your guest count being on the dance floor at once. However, you know your crowd best, so if you think that more people will be on the floor, we can adjust to accommodate your unique crowd!

Total guest count	# of guests on dance floor	Dance floor dimensions
50	16	6X12 OR 8X9
75	24	9X12
100	32	9X16 OR 12X12
125	40	12X16
190	64	16X18
200	66	15X20
250	80	18X20
300	100	20X24
